## Mayor Endorses Squadron of Militia Project

Editor Wetaskiwin Times.

Dear Sir:—After reading your article in last week's issue on the organization of a Squadron of Militia, and having made enquiries about the project I wish to publicly give my approbation to the scheme.

As a town we have been up to date and diligent in societies or organizations tending towards the development of manhood and good citizenship and true there has been on several occasions cursory steps taken to form a Y.M.C.A. but for lack of funds and suitable accommodation these have always failed of consummation.

The military organization outlined in your last issue will largely, I believe, take the place of the Y.M.C.A. or any other association which has for its object the better training of men.

Military discipline will in a short time give the recruit a never to be forgotten lesson on punctuality, promptness, neatness and obedience to constituted authority, and these are elements which are all necessary to the best citizenship for which we are always striving.

The regular meeting together of sixty or seventy men from all call-

ings and of different ages will without doubt give each and every member a broader outlook, a consideration of opinions and beliefs of others and so will be instrumental in really Canadianizing all who join or come under the influence of the members of the military force.

Another thing which appeals to me is the spirit of loyalty to comrades, officers and the regiment as a whole. This loyal spirit can not help but spread from regimental affairs to the affairs of the city and will make harmonious the efforts of the people in the city's welfare. Up to the present there has been a woeful lack of harmony in civic affairs and anything that will assist in the eradication of the spirit of jealousy ought to receive the full support of the citizens.

From what I have learned so far of the proposed organization I feel it my duty to help it with whatever influence I may command and from present indications feel sure that it will merit and receive the support of the city as a corporate body.

Signed,  
H. C. R. WALKER,  
Mayor.

## Council Holds Court of Revision November 15th.

All the members were present at the regular council meeting on Tuesday evening, except Alds. Olin and Watson.

Communications from bond brokerage firms, or purchase of debentures were referred to the finance committee.

W. B. Odell wrote that Mr. Poland's solicitor had set November 15th, as the date for hearing the arbitration. This was also referred to the finance committee.

A letter was read from the Geo. Supply Company, to the effect that the compressor would be shipped

from Sweden about the end of this month. The clerk was instructed to write this Company stating that the city will strictly enforce the penalty clause of the contract.

W. L. Crane presented his report of the convention of representatives various cities in the west held at Calgary a few days ago. To adopt a uniform building code. The report was filed.

The report of Chief James for October showing that there had been 22 arrested or summoned, court fees collected \$44.50, police taxes collected \$64.00 and pound fees \$25.50 was read and order filed.

As E. Campbell has transferred the position of City scavenger to his son, it was resolved that he be asked to resign.

The report of Dr. Stevenson, Medical Health Officer showed the sanitary condition to be excellent.

Ald. Compton and Gros, took issue with the report and moved that it be sent back for further consideration.

It was, however, moved in amendment by Evans—Ellis, that the report be filed and the nuisance in question be referred to the health and relief committee. His Worship broke the tie by voting in favor of the amendment.

The bond for the assistant city clerk was received and filed.

A Stewart Watt presented a petition with 60 signatures and addressed the council on an alleged nuisance caused by the filling in of the creek by the East side. The matter was referred to the Public Works committee.

Rev. Aldridge and A. H. Barnard addressed the council asking for cooperation of assistance in establishing a public library here.

The matter was considered at length and social meeting will be held next Friday evening when steps will be taken for a plebiscite at the end of the December elections.

The council will sit as a Court of Revision on the Voter's List on Friday, November 15th.

After passing accounts to the amount of \$706.60 meeting adjourned.

H/E YOU SEEN IT?

We had no recollection of so inviting a most program as that of the Quakers' Quaker Day and Lady Quaker's Quaker Day. The Quakers' Quaker Day appears here on November 13, having been offered our readers. Look over their program carefully and you will agree with us that it is too inviting to miss attending.

Mrs. John Grein was an Edmonton visitor last week.  
We counted last week to state that Mr. A. Rubbra's advertisement in local ticket agency for the C.T.P.

A most enjoyable social evening was spent by the Orlifolles in their hall on Monday last.

Mrs. James Gould arrived from Victoria a few days ago to spend some time with relatives and friends here.

Remember that the Le Brun Opera Co. will appear here on November 27 in grand opera. This is an excellent company, and will give the best entertainment ever held in the city.

Miss Murphy, who has been telegraph operator at Banff for some time, was in the city last week visiting Miss Hinchberger and other friends. She was en route to Saskatoon, where she has been promoted to a more responsible position.

Mr. and Mrs. D. A. Sharpe, who have been spending the past month on the homestead near Haddley, returned home on Friday. The many friends are pleased to know that Mr. Sharpe has improved in health.

Jas. James was taken suddenly ill this week and was rushed to the hospital, where an operation for appendicitis was performed on Wednesday morning by Dr. Culbertson. He is now home. His friends are pleased to learn that he is doing nicely.

W. Quarry purchased the bakery business of H. M. Burke last week and took immediate possession. Mr. Quarry comes from Lumsden, Sask., and before his departure a banquet was held in his honor. Mr. Burke's plans for the future are indefinite, but he will likely remain in Wetaskiwin during the winter.

James Henderson has accepted a position as traveler for the Northern Electric and Manufacturing Co. of Montreal. His territory will be in Alberta from Calgary north. His many friends are glad to know that he and his family will not be leaving Wetaskiwin, and that this will be his headquarters.

The dates for the Annual Convention of the United Farmers of Alberta Association are January 21, 22 and 23, 1913. The convention will be held at Calgary, and the Association expect about 500 delegates to attend.

The great popularity of the Schubert Lady Quartette is not only their own credit, but also because they try to please the people. All their encores are either amusing or artistic arrangements of those sweet old melodies so dear to all American hearts. Hear them at the Angus Opera House on November 13.

It is stated that about thirty or thirty-five of the oldest buffalo bulls at Buffalo Park are to be killed shortly, as they are reaching an age when they are likely to be killed by the young bulls. They are thought to be from thirty to fifty years old. The citizens of Wainwright are hoping to have a chance to sample real buffalo meat.

It has been decided by the Commissioners of the Royal North West Mounted Police at Regina that the work of the force in Central Alberta can be more expeditiously and satisfactorily handled by the creation at Red Deer of a sub-division and permanent stationing here of a detachment, consisting of an inspector, three constables and five horses. This unit will have charge of all the posts in this district, and will allow of the prompt dispatch of constables to any point at which they are needed than under the present division. Advocate.

A well attended meeting took place at the City Hall on Friday evening last, to consider the boy scout question and athletics in general. Rev. A. R. Aldridge outlined the object of the meeting and suggested several ways in which the matter might be handled. The difficulty appears to be in securing a suitable meeting place. A committee consisting of Revs. Aldridge and Schmidt and Dr. Nordby, was appointed to interview the Public School Board to see if arrangement could be made for the use of the basement in the Alexandra School for athletic and drilling purposes. The question of Public Library for Wetaskiwin was then introduced and was discussed at considerable length. All present heartily approved of the project and steps were immediately taken for the securing of such a library. The above named committee was also instructed to get the endorsement of the council at their meeting on Tuesday next.

The Provincial Government will give dollar for dollar for any sum raised locally up to \$333. It is likely that a by-law will be submitted to the electors to be voted on at the time of the city election next month.

A post office has been opened at the coal mines this side of Olaton—the name being Rosensolt.

See Williamson's advertisement in this issue. He will save you money on your Christmas presents.

Morris Bros. have leased the skating rink property here for the season and are now getting things in readiness. Ice will be made as soon as possible. There will be regular band nights and an effort will be made to secure a visiting hockey team.

Mrs. O. H. Anderson and Miss Hazel Anderson were at the Capital last week. They attended a lecture on the North Pole Expedition given by Dr. Cook, whom they had the pleasure of meeting in New York when they resided there.

The Hospital Aid Society held their monthly meeting in the Council Chamber on Tuesday afternoon of this week, when reports were received from the various committees and their work generally discussed. The reports were highly satisfactory.

On the 18th of October a dance was held which netted the ladies \$127.00, and on Friday evening, November 1st, they received, through the kindness of the proprietors of the Bijou theatre, the net receipts of the evening, which added \$20 to the bank account of the Aid; and then, as a fitting climax to the efforts of the ladies, they received from Mr. James Brockbridge, formerly of Wetaskiwin now of Edmonton, as a donation to their work the handsome sum of \$50. The ladies wish publicly at this time to express their appreciation of the kindly feeling shown by Messrs. Brockbridge, proprietors of the Bijou Theatre, Mr. Brockbridge and to all others who so kindly assisted them in their work during the past month. The ladies are keeping the Hospital fund in up-to-date style, and through the aid of the ladies, it is kindly interest as being to make it pleasant for the poor patients.

## Miss Yeomans to address Women's Meeting.

The Department of Neglected Children has recently added to its staff Miss Mary Yeomans as a woman probation officer for the Province of Alberta.

Miss Yeomans comes to her work particularly well qualified, she having had some twenty years experience in children's work before coming to Alberta.

Miss Yeomans' particular work will be that of securing the cooperation of the women of the province in the problem of the prevention of crime among girls.

She will speak in the Methodist Church on Monday evening next. The object of her work is entirely that of prevention.

She comes to Alberta with a long experience, and is regarded as one of the most expert women on the Continent in her particular line.

## A Wonderful Case

Three Months in Hospital and came out Uncured.

Zam-Buk Cured Him in Few Weeks

Mr. Fred Mason, the well known upholsterer and hat maker, manufacturer of St. Andrew, N. B., writes:

"I had eczema on my knee, which caused me terrible pain and inconvenience. The sore parts would itch and burn and tingle, and then when rubbed or scratched, would become very painful. When the knee got warm it would burn worse, and the itching and burning and smarting were almost unbearable. I tried various remedies, but got no better, so I decided to go to Montreal and take special treatment at the General Hospital for three weeks, but at the end of that time I was not cured, and almost gave in. A friend advised me to give Zam-Buk a trial.

"Almost as soon as applied, Zam-Buk stopped the itching and irritation. I persevered with the balm, and it was soon evident that it would do me good. Each day the pain was reduced, the sore spots began to heal, and by the time I had used a few boxes of Zam-Buk I was quite cured.

"Since then Zam-Buk has cured blood poisoning in my finger, and at a time when my finger was in such a terrible condition that I feared it would have to be amputated."

For eczema, blood poisoning, piles, ulcers, sores, abscesses, various skin eruptions, cold sores, chapped hands, cuts, burns, bruises, and all skin injuries and diseases, Zam-Buk is without equal.

## Suffered With A Lame Back COULD NOT STRAIGHTEN UP.

Many people fail to understand the significance of a lame, weak, sore or aching back.

When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Hence the warning, cure the back and dispose of any chances of serious kidney trouble following.

Mr. C. Grace, Hamilton, Ont., writes: "I was suffering with a lame back, and for two weeks was not able to straighten up to walk, and hardly able to sit down for the pains in my back, hips, and legs. I had used different kinds of pills, rubbers, liniments and medicines, without any relief. One day I read about Doan's Kidney Pills and decided to try them. Before I had half a box used I felt a great deal better, and by the time I had used two boxes, I was cured. I have no hesitation in recommending Doan's Kidney Pills."

Price, 50 cents per box or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## Care and Protection of Rural Schools

or any other shaped plate you like to be placed according to taste. Of course, stones are not readily necessary. A large plot in the middle of the lawn and a smaller one at each side looks nice. In these plots let the children sow their flowers or plant penicillia. Wild flowers, such as the lily, anemone, violet, etc., increase in beauty when transplanted, and they will always grow.

At a corner of the door some flowers should also be sown. If the path is hard these places should be laid in some rich mould which the children will be quite willing to get for you. In these plots plant some kind of creeper—sweet peas, hops, nasturtium, etc. In the corner plot we have penicillia, Manihota, maple with flowers beneath it. In each of the side plots is a nice briar rose bush and flowers. All round the grounds it regular intervals are trees. In one corner is a clump of lilacs, shrubby poplars, balsam or willows, with lots of grass for the little ones to play among. At each side of the door of a nicely planted building are bright flowers or some green climber. Then a large level playground will complete a very charming picture.

No matter how the grounds are laid out, they must be kept tidy. A good box and rake should always be ready for use, and when any child seems to have a superabundance of energy let him handle them. Don't allow the children to leave sticks or paper lying around, for, as everyone knows, these always give an air of untidiness to any place.

When one thinks of some of these deserted looking rural schools, standing in the middle of the deserted prairie, unfenced, free and open as ever, one is not at all surprised that children do not like to go to school.

One who walks into the room itself and sees dirty windows, untidy floors, dingy walls, with perhaps a few scattered old looking pictures staring at you from the dingy walls as if asking how in the world they happened to be stuck up there.

No, the time has come when both teachers and trustees realize that there is education to be had outside of school books.

And don't forget that the influence of school life is going to make itself felt in the lives of the boys and girls when they shall have grown to adulthood and womanhood.

## When you go home have a nice home to go to

Dear Amy—  
I don't wonder that Jennie's husband stays down town nights so much. She doesn't seem to care a thing about fixing up her home. Fred would stay home more, I know, if Jennie would only make it more congenial for him.

I'd write him and give her the money to buy furniture with either, if she'll only go buy it and keep it looking right when she buys it. All she thinks about is how she looks when she is out—not what her home looks like when Fred is in.

Bye, Bye. Lou.

P.S.—Jennie could furnish her home so nicely with first-class furniture and for so little money, too, if she would only visit.

## LOOK!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on chest troubles as anti-toxin is on diphtheria, or vaccination on small-pox, wouldn't you feel like giving it a trial? Especially if you could try it for fifty cents!

Peps is the discovery!

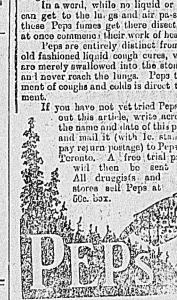

Peps is a reliable, really wrapped in air and purest silver foil. They contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour and are at once breathed down the air passages to the lungs. On their journey they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the capillaries and tiny a race in the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, Peps forms a gas there direct, and at once commences their work of healing.

Peps are entirely distinct from the old-fashioned liquid cough cures, which are merely swallowed into the stomach, and never reach the lungs. Peps treatment of coughs and colds is direct treatment.

If you have not visited Peps, cut out this article, write across it the name and address of this paper, and mail it (with 10c stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you.

All druggists and stores sell Peps at 60c. box.

### The Churches

IMMANUEL

Holy Communion, Sunday next 8 a.m. Matins and Holy Communion 11 a.m. Evensong 7:30 p.m. Sunday School and Bible Class 2:30 p.m.

EV. LUTHERAN—ZION

Last Sunday, Zion congregation celebrated the first anniversary of the dedication of the church. The inclement weather kept our expected guests from the country away, still the attendance at the various services were good.

In the forenoon, Rev. Gerken, of Leduc, preached a splendid sermon; in the afternoon we had occasion to hear Rev. Bertram of Bismark, and in the evening the local pastor delivered the sermon. The choir assisted at all three services. The collections were used for the church fund. Zion congregation have all reason to be thankful. The church property was improved in many ways during the course of the year; the membership grew steadily, as also did choir and school, and further growth is looked for in not too distant future.

KNOX

Services at 11 a.m. and 7:30 p.m. Sunday School at 2:30. Mid-week service, Wednesday at 8 p.m.

The Annual Thank-offering meeting of the W.H.M.S. will be held in the church next Monday, November 11 at 4 o'clock.

Knox Literary Society held a very enjoyable meeting on Tuesday evening. A good program was arranged, an interesting part of which was a spelling match.

METHODIST

Next Sunday is Temperance Day in the Methodist Churches throughout the Dominion. The subject will be dealt with here by the Pastor both morning and evening. Total Abstinence pledge cards are provided for all who wish to sign the pledge. At the evening service, 7:30, the proposition "Drunkenness as a vice, a crime and a sin" will be discussed.

Rev. A. D. Richard lectured to a fair sized audience on Wednesday evening. His remarks on Life by the Sea were most interesting.

FIRST EV. LUTHERAN

On Sunday November 3rd, the First Evangelical Lutheran Church, on the corner of McDonald and White Sts., was the scene of a double festival in the form of a missionary and Reformation Service. In the morning Rev.

Bicker of Stettin, preached a German reformation sermon. A collection was then taken for the benefit of the District Treasury, to which the members responded liberally. In the afternoon at 2:30 the missionary service was held. Rev. Bicker opened this service with a powerful sermon, awakening in all the true missionary spirit. Student Michelbacher of Capital University, Columbus, Ohio then followed with a German sermon on mission work in general. He has left his school work for a year to act in the capacity of assistant to Rev. Zastschky and travelling missionary for Alberta. Rev. Zastschky then preached a sermon summarizing what had been said and emphasizing the important points. A collection was then taken for the benefit of Mission Treasury.

### COULD NOT LET ANYONE TALK TO HER SHE WAS SO NERVOUS.

Diseases of the nervous system are very common. All the organs of the body may be sound while the nervous system is all upset, on account of the troubles and worry which fall to the lot of one who has to look after the troubles incident to housekeeping, and when the nerves become unstrung the heart is also affected. In Milburn's Heart and Nerve Pills is combined a treatment that will cure all forms of nervous disorder as well as act on the heart itself, and for this reason we would highly recommend them to all run down women. Mrs. Wm. Smith, Terra Nova, Ont., writes:—"I wish to tell you that I have used Milburn's Heart and Nerve Pills. I was so nervous I could hardly let anyone talk to me until a neighbour told me to try your Milburn's Heart and Nerve Pills. I got three boxes, and did not have to get any more as they completely cured my nervous system. Milburn's Heart and Nerve Pills are for sale at all dealers, or mailed direct on receipt of price, 50 cents per box, 3 boxes for \$1.25. The T. Milburn Co., Limited, Toronto Ont.

## Government Stock Train here Nov. 14

The farmer of Wetaskiwin will have an opportunity of hearing the latest farming methods described and discussed at their doors on Thursday afternoon, November 14th, when the Mixed Farming Special Train of nine cars will be in this city from 12:15 p.m. until 6 p.m. The farm lectures will begin at 2 p.m. and continue until 4 p.m. The live stock, of which there are two carloads of cattle, horses and sheep, will be taken to Reginald's Livery Barn, where skilled judges will pass upon their merits and use them for illustrating the lectures. With an animal of correct type at hand, a speaker can convey a much clearer impression to his hearers than he can without a specimen for illustration. For this reason the Department of Agriculture is carrying a number of selected animals for judging and illustration. J. O. Drury of Cowley loaned the Department a splendid Percheron stallion and mare; J. J. Richards of Red Deer placed a splendid Clydesdale stallion at the disposal of the department; Rowland Nees of De Winton loaned a handsome Ayrshire cow; Bryce Wright of De Winton contributed a grand short-horn bull and heifer, also a brace of Oxford sheep; and J. Laycock of Calgary let the Department have an excellent Holstein bull. All these animals are prize winners. From the Provincial Government demonstration farm came a splendid dual purpose short-horn cow of a type that is not half common enough in this country. The farms also provided a span of young mares, a Percheron and a young, such as every farmer should have on his place.

Superintendent Foley has a carload of poultry for illustration, together with all sorts of attractive models of houses, trap nests, etc. This car is a little show in itself, and everyone interested in poultry should visit it. The car of weeds, grains and grasses is worth spending some time in. A Babcock tester is in operation in this car, and those who want to know what their cows are doing should learn how to operate the little machine and find out.

Still another feature that the women cannot afford to overlook is the domestic science lecture, which takes place in a car fitted for that purpose. Miss Stiven, the lecturer, is a talented woman and a past master in the art. The school girls should be given a half holiday in order that they may hear Miss Stiven.

The object of the train is to arouse interest in mixed farming, to encourage the breeding of good live stock, to give the farmer the protection he needs against crop moisture; to put him in position to realize something each year which is now being wasted. The West needs more dairy cows and more hogs, and the lectures will show how they can be obtained and what should be expected of them. Every farmer who is really interested in his calling should visit this train.

Another business deal was consummated on Friday last, when the Wetaskiwin Wine and Spirit Co. disposed of their business to R. J. Thompson, recently of Winnipeg, who took immediate possession. Mr. Clark is not sure of his future plans, but will remain here for the winter at least.

The Hospital Night at the Bijou on Friday evening last was quite successful. The management of the theatre gave a cheque for \$30 to the Hospital Aid Society as the receipts of the evening.

## Uncle Walt--The Poet Philosopher

Of all the dark bogies that scare, and keep you a-tearing your hair, and walking the floor in a state of all the dire perils you know, whose pinions are reeking with woe, there's nothing so dreadful as debt. The fellow in debt never knows the meaning of peace and repose; there's always a wolf at his door; it's better on liver to dine than revel in oysters and wine, the which have been charged at the store. It's better to wear your old duds and live on a diet of spuds, for which you have paid out the mon, than dress like a dandy or an earl, and feed from a platter of pearl, and always expecting a dun. Oh, debt's an Old Man of the Sea, from whom it is hard to get free—he rides you in spite of your screams; he rides you when you are awake and fills you with sorrow and ache, and gallops on round in your dreams. He gives you an ugly renown, and spreads it all over the town, and brings you a harvest of sneers; he takes all the joy from your life, brings shame to your children and wife, and splatters your cottage with tears. So keep out of debt if you can; steer clear of the creditor man—and this you can do if you try; it's better to live in a keg, and feed on an onion or egg, than eat an unsettled pie!

# PORT MANN

## The Coming City

WE have heard much of late on the terminus question, but this question has been settled long ago by the Canadian Northern and that settlement is PORT MANN.

NOW, what does this declaration mean? It means that every bushel of the millions of bushels of prairie wheat the C. N. R. will handle for Panama shipment will go onto the ships at Port Mann. It means that flour mills by the dozen will be built at the place where the grain meets deep water—at Port Mann.

FURTHER, PORT MANN is the only spot in Western B. C. where manufacturing sites with deep water frontage and trackage may be had free or practically so. Ask yourself what THAT means. Will manufacturers pay enormous prices for such sites on Burrard Inlet, or will they locate free along Port Mann's 60 feet deep, fresh water harbor. Not hard to answer, is it?

PORT MANN has already secured industries, for this reason, that will employ in a few years double the men of Vancouver's payroll to-day. And this is only the beginning. Ten years from now we will see Port Mann with the greatest aggregation of factories on the Pacific Coast—will see it the manufacturing centre of the west.

THERE is coming in Port Mann in the next few years the biggest increase in property values ever seen in Canada. It cannot be otherwise. Canadian Northern officials are advising their lifelong personal friends to buy all the Port Mann property they can handle. We strongly advise you to do likewise.

We do not sell any outside Property, only the Choice Stuff in the heart of
